STATEMENT OF PURPOSE AND MARKET RULES

The Farmers Market is a community effort to unite local producers with the greater community.

The Market will operate rain or shine on consecutive Saturdays from 9:30am to 1:00 p.m. You need to have your own canopy, table and chair.

Vendors will be permitted to have their vehicle on the side road (Deuso Road) for set up and then must be moved and parked on the street or other designated area. No vehicles may be left parked on the lawn.

Vendor set up is to be up and ready to sell by 9:15am. Vendors are also expected to stay until the market ends unless the vendor has sold out of their product.

Attendance is expected for every week that you have committed to. It would be best to have a backup person to man your space if you cannot attend. There will be no refunds given.

All vendors are responsible for the collection and payment of State Sales and Meals tax, where applicable.

Each vendor will be expected to sign the application releasing the Montgomery Historical Society from responsibility for any harm done by the vendor or vendor's products. Vendors are encouraged to purchase, or obtain a rider to their insurance policy for individual product liability.

All items to be sold at the market must be listed on the application.

There will be a bathroom available for VENDORS only. It is NOT available for the general public.

The Montgomery Historical Society will provide extensive advertising for the Farmers Market, which will include a banner, flyers and print advertising.
