Modern Times Theater delights family audiences with their handmade wooden and paper-mache puppets, in a modern Vermont update of the age-old Punch and Judy show. There will be live acoustic music on a variety of instruments, from the ukulele to the bicycle pump, as well as a thrilling puppet show, all calculated to delight and enlighten both children and adults.

Rose Friedman and Justin Lander have been making and performing puppet shows together since 2003, and are co-founders of Vermont Vaudeville.
