2024 LLHSM ANNUAL MEETING

Three MHS Board members attended this year's conference in White River Junction. It focused on collections with presentations on archival management and care, as well as exhibits. It was perfect timing for us, and we learned a lot.

These meetings normally begin with an awards ceremony and we're proud to report our longtime trustee and Vice chairman, Bill McGroarty, was honored with an individual "Award of Excellence". Bill was one of just two individuals honored. The award judges noted his over 20 years of service to our Society and his view that local history is a key ingredient to achieving a vibrant and flourishing community with a great quality of life for everyone.

MHS individuals and programs have received 15 of these awards over the last 19 years.
